FAUCETS THAT Celebrate WATER

EXPERT IN WATER AND ENERGY MANAGEMENT

A pioneer in manufacturing bathroom faucets. Palika is also a distinctive choice as an expert in water management. It's brass- manufactured faucets are extremely high quality and high tech to keep a pace of demanding Indian standards. Water and energy saving functions, easy-to-use features, ergonomic design as well as high pressure /low consumption streams are just some of the key advantages that distinguish a Palika Faucets.

EVERY PRODUCT THAT WE OFFER IS CREATED AND PRODUCED AROUND
OUR THREE CORE VALUES

QUALITY

All of our products are passed through stringent quality assurance processes to ensure they reach the exacting standards that allow us to offer our 7 years Warranty.

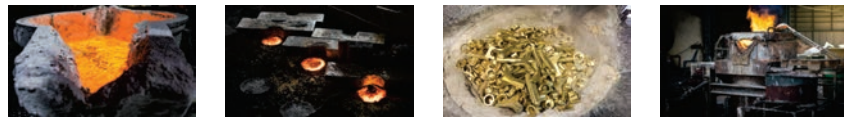

DESIGN

Our products range from traditional mixers, shower valves and accessories to contemporary designs including new style spouts, handle options in different colours and materials and products that use the latest digital control technology. Our global presence ensures we remain at the cutting edge of international design trends.

INNOVATION

We have a team of people dedicated to developing product ranges that innovate in their form and function. We design products that not only look great but are easy to install, maintain and minimise environmental impact.

PALIKA is a renowned faucet manufacturing brand .It combines artisanal craftsmanship with the latest innovations in technology and design. Quality and perfection are the driving forces at our organization, that are actively taken care while manufacturing our products. Our products are developed using accurate metal compositions and advanced manufacturing techniques, which ensure the quality, durability and credibility of our range.

Our Motto is customer satisfaction which we have achieved over the years by giving best prices, quality and services.
